

# Aroma Therapy... Therapeutic Grade Essential Oils... Reverse, Rebuild and Regenerate with Natures Leading Natural and Organic Medicine!

Presented By Cherie Ross

Cherie has worked personally and professionally with essential oils for over thirty years. She is training/teaching internationally. Having over 30 years in the Salon/Spa industry owning, educating & in product development, Cherie is a certified Animal Communicator, Karuna Reiki Master & Medical Intuitive. Cherie brings her vast knowledge to every seminar. Cherie has recovered from a devastating car accident that left her with brain damage and life threatening and disfiguring injuries. Using Essential Oils she has also healed herself from Cancer and Lupus. Come and learn about natures medicine that other countries have been using for centuries in preventing and treating allergies, colds, flues, injuries, viruses and more serious health challenges. Essential Oils dramatically improves our bodies ability to slow down and in many cases reverse the aging process on a cellular level including damaging environmental effects. Cosmetically & Agriculturally Essential Oils are an excellent organic alternative to common "cancer causing" chemical based products. Achieve outstanding results in treating your family & animals from bacterial infection, disease, injuries, virus, wounds and other common ailments. Also current research will be presented in the successful treatment of ADD & ADHD, heightened concentration, improved memory, depression, infertility, menopause, fibromyalgia, stress relief & other emotional/health challenges. Achieve outstanding results in enhancing your quality of life beyond expectations, naturally and organically! Great for people & animals with feet, feathers, fur, hooves, paws!! This is one seminar you won't want to miss.
