

# Thieves® Oil

# Natures Antibiotic

Frequency approx. 150 MHz

Can be diffused, applied topically & taken internally. The fragrance influences inner strength, alertness, & a take action state of mind. This proprietary blend of *wildcrafted* Therapeutic Essential Oils, **Clove, Lemon, Cinnamon Bark, Eucalyptus Radiata, & Rosemary** formulated based on research during the historical "Black Plague" has been clinically proven to have a 99.96% kill factor eradicating almost every unhealthy microbe presented to it, including airborne bacteria, virus, staph (including H1N1- Flu, MRSA resistant staph, and other deadly "SuperBugs"), strep, pneumonia, Toxic Black Mold, & all infectious microbes. Also, **Thieves®** assists balancing blood sugar, combats thrush, sinusitis, abscesses, excess mucus, all infectious bacteria & so much more. Excellent as a mental stimulant and powerful antiseptic.

**Please refer to the Essential Oil Desk Reference for more research information.**

**Clove** oil is the most powerful known antioxidant on the planet.

Coming in at approximately 1,800,000 this oil has the highest rating on the ORAC scale than any other substance organic or otherwise. Nothing even came close. **Clove** stops free radical damage dead in its tracks. Also a powerful antimicrobial ranking right up there with **Oregano & Cinnamon Bark**. Very strong against all forms of infection & disease processes, **Clove** also has excellent analgesic properties. **Clove** is a general stimulant very effective in getting our bodies to take action in eradicating unhealthy microbes quickly & effectively. This single oil is high in Eugenol, a natural compound that successfully eradicates a myriad of harmful microbes linked to tuberculosis, oral & periodontal issues, scabies, parasites, wounds, cancer, autoimmune, Fibromyalgia, all respiratory concerns, cystitis, diarrhea, amoebic dysentery, fatigue, thyroid malfunction, bacterial colitis & ulcers, lymphoma, warts, viral hepatitis, neuritis, chronic skin disorders, insect bites, snoring & excellent for removing toxic chemical build up internally. **Clove** is often associated with extreme abundance by the people honoring ancient oriental traditions.

**Lemon** oil promotes leukocyte (healthy cells) formation. Improves memory recall & decreases errors by over 50% upon inhalation. Stimulating & invigorating to all areas of our brain, relieves fatigue, improves lymphatic function, microcirculation, assists in more clear vision Also tremendous antimicrobial activity. **Lemon** is clinically proven to combat staph, strep, pneumonia, typhoid, tuberculosis, meningitis, diphtheria, and many other bacterial and viral infections. Additionally, assists our body in digesting excess fat, dissolves cellulite & restores skin elasticity.

**Cinnamon Bark** oil is singly the most powerful oil for all infectious microbes; viral, bacterial, fungal & parasitic. A powerful purifier, oxygenator & enhances the action of other oils used. **Cinnamon Bark's** frequency attracts wealth & abundance as recorded in historical Chinese & East Indian records. **Cinnamon** oil had great value due to all its health sustaining abilities & only the wealthy could obtain it. **Cinnamon's** action is aggressive so be mindful when using in sensitive areas. Never diffuse **Cinnamon Bark** alone, however it's excellent to diffuse in blends such as **Thieves**.

**Eucalyptus Radiata** oil is a powerful anti-infectious & expectorant as well as very helpful against endometriosis, vaginitis, allergies, sinusitis and all respiratory conditions.

**Rosemary** oil is an outstanding antimicrobial for everything from dandruff to prostate issues to candida. Very effective in balancing the endocrine system & removing excess mucus. Also stimulating to our mind, assisting us in overcoming fatigue & increasing memory & clear thinking.
